**To request an evaluation, see contact information inside for palliative and hospice care providers serving Putnam County. This evaluation is done at no charge or obligation to you or to your loved ones.*

Anyone may request a hospice evaluation. Consider speaking with a hospice admissions nurse for information and advice. With your permission, the nurse will contact your physicians and make arrangements for a visit to evaluate your specific situation.

 Do your loved one's caregivers need more help?

 Are your loved one's pain and/or other difficult symptoms becoming more difficult to manage?

 Is your loved one having repeated medical crises, resulting in trips to the emergency room and hospitalizations?

IS IT TIME TO REQUEST A HOSPICE EVALUATION? *
